When You Have Something You Want to Sell TO CAP IN Advertises It in Our Clarified Column

That Everybody Has Been Waiting For

Thurs., War. 1 and Ends Sat.,

Opportunity's latch string is now hanging out at this home of Good Shoes. We're going to shrivel the prices on all of our shoes, strap slippers, oxfords, and pumps to such an extent that every dollar bill will appear to be twice its ordinary value.

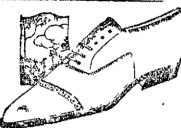

Come in and see what we are doing, and then you'll know all about it. Shoes, Oxfords, Pumps, Strap Slippers, for men, women and children—the best we have or have had during the past season, all must go at once a loss to us—a benefit for you.

REASON

We don't propose to carry shoes from one season to the next--it's not good business to do so. We want to show you fresh shoes next season, we want the room and we can use the money. Here's how we propose to get it! Our prices will tell the story.

Come soon before the lines of sizes are broken. Early buyers will fare the best.
